OFFICE MEMORANDUM

Technical Resignation and Lien

This Department has issued various instructions from time to time regarding Technical Resignation and Lien. It is now decided to consolidate these instructions at one place for better understanding and guidance, as under:

2.1 Technical Resignation

2.1.1 As per the Ministry of Finance OM No. 3379-E.III (B)/65 dated the 17th June, 1965, the resignation is treated as a technical formality where a Government servant has applied through proper channel for a post in the same or some other Department, and is on selection, required to resign the previous post for administrative reasons. The resignation will be treated as technical resignation if these conditions are met, even if the Government servant has not mentioned the word "Technical" while submitting his resignation. The benefit of past service, if otherwise admissible under rules, may be given in such cases. Resignation in other cases including where competent authority has not allowed the Government servant to forward the application through proper channel will not be treated as a technical resignation and benefit of past service will not be admissible. Also, no question of benefit of a resignation being treated as a technical resignation arises in case of it being from a post held on *ad hoc* basis.

2.1.2 This benefit is also admissible to Government servants who have applied before joining the Government service and on that account the application was not routed through proper channel. The benefit of past service is allowed in such cases subject to the fulfillment of the following conditions:

(i) the Government servant should intimate the details of such application immediately on their joining;

(ii) the Government servant at the time of resignation should specifically make a request, indicating that he is resigning to take up another appointment under the Government for which he applied before joining the Government service;

(iii) the authority accepting the resignation should satisfy itself that had the employee been in service on the date of application for the post mentioned bythe employee, his application would have been forwarded through proper channel.

(DOPT's O.M. No. 13/24/92-Estt(Pay-1) dated 22.01.1993)

2.2 Carry forward of Leave benefits
